**Pick Up Your Trash:** We ask you to be considerate and not throw debris on the ground during the run and bike. Littering compromises our chances of staging these races at selected venues. It also makes it difficult for staff and volunteers following the race. It will also get you DQ'd if a USAT official catches you! Please help us out and look for trash bins - there will be plenty of them scattered around the course.

**Awards:** The estimated time for the awards ceremony is 4:30 pm for the Half Booty event.

**Results:** Results will be posted throughout the race. Complete results will be posted on [www.fsseries.com](http://www.fsseries.com) by Sunday (5/15). <https://crystalcoasttri.com/evtresults>.

- **NO bike storage the night before the race or overnight of the race.**
- Participants only in the transition area. You are the only one that can remove your bike.
- At the bike start, participants will have to run their bikes across the timing mats and past the mount line before getting on the bike. At the bike finish, participants will have to dismount at the same place and run their bikes across the timing mat to re-enter the transition area.
