

Todo:

- Send letter to runners
- Load out plan for Jack
- Contacted Bill Duke this am, waiting for contact information for Saturday
- Check out situation for AS 4 parking
- Purchase Oranges and Bananas for refreshments
- Coordinate pacers who have signed up on volunteer form but not registered
- Oversee portajohn placement, rental trailer (bananas)
- Water from Wegmans (Jack)

Issues:

- Safety concerns because Cary is limiting the number of signs we can use, decided to take my chances and put "ROAD CLOSED" signs up anyway, looking for a vendor who can do them on short notice. PG recommended FastPrint, waiting for a call back.
- Will not be Cary Police, nobody accepted the offer
